\*\*\*Weddings presents list

We recommend you pencil in the date with an estimated number of guests until confirmed as this might affect the availability of the areas we can reserve if other bookings come in. The conservatory has time limits for the evenings unless you'd like to reserve it for a party after your meal, otherwise we have a separate reserved bar area we can move to for drinks and a dance.

On weekends minimum spend might apply if you are reserving the whole restaurant area.

We advise you leave as little as possible to do for the special day.

We can help with all the above to ensure your day is perfect.

Feel free to pop in to have a look at the venue size and set up, we will show you around and answer any of your questions
